Robust, UV-resistant and super comfortable - there is nothing cooler than this hanging chair for children between the ages of 3 and 6!

Hung up at the ceiling, under the high-sleeper bed or on a tree in the garden, the colourful Kid's Swinger made of indestructible rucksack material is the coolest swing by far! Kid's Swinger is ideal for reading, listening to music or just relaxing!

All metal parts are made of stainless steel, which means that Kid's Swinger will withstand all weather conditions. The wooden bars are oil-finished.
